

LED-WH100SILVER

NEWSTAR FLAT SCREEN WALL MOUNT

The NewStar wall mount, model LED-WH100SILVER is a height adjustable wall mount for flat screens up to 60".

The NewStar wall mount, model LED-WH100SILVER is a height adjustable wall mount for flat screens up to 60" including AV-shelf. This mount is a great choice when you want the ultimate viewing flexibility with your flat screen TV. Effortless pull the display out from the wall, position it in almost any direction, turn it around corners and then smoothly return it to the wall when finished. The included AV-equipment shelf is ideal for placement of AV-equipment under your flat screen.

NewStars' height adjust (26 cm) technology allows the mount to change to any viewing angle to fully benefit from the capabilities of the flat screen. The mount is easily height adjustable with 26 centimetres. A unique cable management conceals and routes cables from mount to flat screen. Hide your cables to keep living room, bedroom or home cinema installation nice and tidy.

NewStar LED-WH100SILVER is suitable for screens up to 60" (150 cm). The weight capacity of this product is 50 kg each screen. The wall mount is suitable for screens that meet VESA hole pattern 75x75 to 600x400mm. Different hole patterns can be covered using NewStar VESA adapter plates.

Create a clean design ambiance for your flat screen TV in the living room, bedroom or home cinema.
